SKILLS

- **Languages**: C++, JavaScript, Java, PHP
- **Frameworks**: HTML and CSS, Bootstrap, NodeJS, React, tailwind
- **Tools/Platforms**: MySQL, MongoDB, ChatGPT, Gemini
- **Soft Skills**: Problem-Solving, Teamwork, Project Management, Adaptability, Creativity

PROJECTS

ImaginX – AI Image Generation Platform: October 2024
- Developed a solo AI image generation platform using Bootstrap, PHP, and MySQL
- Integrated Hugging Face API for AI-generated images and Unsplash API for stock images (accessing over 1M+ images)
- Designed a responsive and user-friendly interface with Bootstrap, achieving 100% responsiveness across devices
- Implemented backend logic and managed a MySQL database with 500+ image prompt entries
- Enhanced development speed by 30% through ChatGPT-assisted implementation and personal optimization
- Tech: HTML, CSS, JavaScript, Bootstrap, MySQL, PHP, ChatGPT

AI PDF Note Taker Web App: October 2024
- Engineered an AI-powered note taker platform using React and Tailwind for a clean, responsive UI
- Leveraged Convex as the backend database, handling real-time data updates across 100+ notes
- Used Node.js to implement scalable backend logic for file handling and API integration
- Incorporated LangChain and Vector Store to organize and retrieve notes with high accuracy
- Integrated Gemini API to summarize PDFs and answer user questions with 85–90% accuracy in testing
- Tech: React, NodeJS, LangChain, Convex, Tailwind, Gemini

Grilli – A Restaurant Website: April 2024
- Built a responsive restaurant website using HTML, CSS, and JavaScript
- Optimized for multiple screen resolutions, achieving smooth performance across 20+ device sizes
- Integrated custom JavaScript animations, enhancing user interactivity and increasing time-on-page by 20%
- Tech: HTML, CSS, JavaScript

CERTIFICATES

- IBM DevOps and Software Engineering – IBM (Coursera) — December 2024
- Complete Interview Preparation - Self-Paced (Java) by GFG. — June 2024
- Server-side JavaScript with Node.js – NIIT (Coursera) — April 2024
- Algorithms on Strings - University of California San Diego (Coursera) — February 2024
- Introduction to Generative AI- Google Cloud (Coursera) — January 2024

CERTIFICATION

- Completed NPTEL course for "Cloud Computing" from Swayam — October 2024

EXTRA-CURRICULAR ACTIVITY

- **Participated in SIH Hackathon:** September 2024
  Created an Alumni Portal Platform for government in PHP and MySQL
- **Participated in GFG Hackathon:** October 2024
  Got qualified for second round and created a online courses study platform

EDUCATION

- **Lovely Professional University** — Phagwara, Punjab
  *Bachelor of Technology - Computer Science and Engineering; **CGPA: 7.08*** — *Since October 2022*

- **Ramjas School Pusa Road** — New Delhi, Delhi
  *Intermediate; **Percentage: 70%*** — *April 2020 - March 2022*

- **Ramjas School Pusa Road** — New Delhi, Delhi
  *Matriculation; **Percentage: 85%*** — *April 2018 - March 2020*
